

**sunrain** - SOLAR WATER HEATERS – FLAT PLATE TECHNOLOGY

Purchase your Electric boost solar water heater from one of the worlds largest manufacturers of solar thermal products. You simply cannot be charged for free solar hot water. Ideal for coastal and non-frost areas.

Australia’s eastern coastal fringe is one of the largest coastal fringes for a single country anywhere in the world. Our opportunity to take advantage of solar water heaters is world class with plenty of sunshine all year round.

Sunrain Flat Plate Collector Solar Water Heaters are ideal in non-frost areas. Quietly efficient, your family will benefit from hot water generated from a source that you cannot be charged for. Solar hot water, it makes great sense.
